Mr. Wolfgang Daiss
EAASDC e.V. President

Dear Mr. Daiss,

Please accept our sincerest appreciation for your thoughtful contribution for the “East Japan Big-Earthquake Fund.” We received with great pleasure your transfer of 5,000 Euro, about 550,000 Japanese Yen, to the Mizuho Bank a few days ago. We, on behalf of Japanese square dancers, would like to extend to you again our sincere thanks for your friendship and invaluable support through square dance activities.

Actually, it will soon be five months since the big earthquake and subsequent tsunami hit the north east coastal areas of Japan. We are still receiving reports of many sad stories from everywhere in Japan. Anyhow we will certainly try to our best to recover and restore our normal lives to enjoy square dancing.

The 50th Square Dance Convention in Tokyo, to which you will attend, is just near at hand; through the Convention, we are going to resume our cheerful activities, as you may understand. I also look forward to seeing you and dancing with you there soon!

Thank you again for your heartfelt offer to us.

Sincerely yours,

Tatsuzo TAKASE
President, JSDA
